Big SU

Product Description

Big SU is a large suspended luminaire, made using resilient aluminum plate and reflects its retro inspiration in the stylistic orientations of the 40s, 50s and 60s combined with the current technologies.

Advantages

- Large-size suspended luminaire of simple design
- Mimics an extensible table lamp
- Can be customized in any color or finish on request
- 4.33" Canopy

Application

Decorative lighting for different uses such as hotels, residences and others.
